## Exit Glacier Viewpoints

Short trails lead to panoramic and close up views of Exit Glacier.

- **Edge of the Glacier**  
A moderately strenuous hike leads to a wall of blue ice at the edge of Exit Glacier (1.2 miles).
- **Toe of the Glacier**  
Getting to the toe of Exit Glacier requires crossing the rocky outwash plain. This area is not always accessible due to shifting streams (1.0 mile).
- **Glacier View**  
A wheelchair accessible loop leads to a panoramic view of Exit Glacier. A spotting scope is provided (0.5 miles).
